## LE GLOSSAIRE GASTRONOMIE

Ce glossaire vient enrichir la boîte à outil souhaitée dans le cadre du dispositif original Contrat Grand-Ouest clientèle britannique, signé par les acteurs touristiques des Régions Bretagne, Pays de la Loire et Normandie.

il vise à vous aider à traduire et expliquer vos menus. Conseiller, rassurer sur ce que vous proposez est primordial face à une clientèle internationale curieuse et grande

amatrice de notre cuisine. Son attirance naturelle est malheureusement parfois freinée par la barrière de la langue.

Ce guide est une première réponse. Il propose un vocabulaire de base, mais intègre également les spécialités régionales, afin de mieux faire connaître et défendre la richesse de nos Régions.

Avec l'aimable participation des associations des Logis des Pays de la Loire et de Bretagne.
